UNITED CYCLING FOUNDATION

As the designated charity of the Toyota-United Pro Cycling Team, the United Cycling Foundation was created with the mandate of "changing lives" in America. The Foundation will raise awareness and funds for homelessness, a challenge we face in every city coast to coast. A portion of all proceeds from paid memberships and royalties from team merchandise sales go to support the United Cycling Foundation. More information can be found at unitedcyclingfoundation.org

MEMBERSHIP

The Toyota-United Pro Cycling Team has created a fan club with various levels of annual membership. Paid memberships will receive hard goods such as the Toyota-United team kit, podium caps, signature team sunglasses and discounts on other team merchandise at the team store. In addition, members will have access to exclusive content in the member area of the site and a monthly email newsletter featuring photos, news, rider & team director interviews and race results. For the latest updates and insider information on the riders' ambitious plans for the 2008 season, fans are invited to join the team at toyota-united.com
